Student feedback mechanism on Institutional Governance / Faculty performance:

Students give formal feedback of the Staff members to their respective H.O.D and feedback of other issues to the Dean and members of committee directly. Informal feedback is also taken by committee from time to time.

Class committee of staff and students, college committee of senior professors and a disciplinary committee help smooth functioning of the college. They meet periodically, discuss and decide on good governance and implementation. Feedback on faculty performance is collected from students. These forums also provided very purposeful feedback for analyzing and improving upon procedures.
